PRINCESS

SLEEPING BEAUTY SHARES

KINDNESS COUNTS

**Today is Princess Aurora's birthday.
She can't wait to see what gifts she
will get on her special day!**

**The three good fairies are planning
to make a lovely dress and a delicious
cake for the princess.**

Aurora takes a walk in the forest. She thinks about the presents she will get and the delicious food she will eat at her party!

Finally, everything is ready. The fairies give Briar Rose her lovely dress. They light the candles on her pink cake.

But something is missing: friends to share with! Sharing with her friends makes her birthday truly wonderful!
